WEDNESDAY EVENING, APRIL 22.

WHAT OFFICERS ARE TO BE ELECTED IN JUNE ?-As we understand the ordinance none but members of Congress, and of the Legisla-ture, and State officers, are to be elected. In deed, the ordinance expressly uses the words "State officers." It also provides that Underwood "shall give certificates of election to the persons elected." This of itself shows that no county or city or township officers are included, because Underwood would hardly be expected to certify to the election of all these; and indeed he could not do it in a year.

But the fact is that the Legislature has yet to divide the counties into townships, and each township into districts. So that these innumerable officers are not yet to be elected. Congressmen, legislators, a Governor, Lieutenant-Governor, and Attorney-General, fill the bill. -Richmond Dispatch.

THE PACIFIC RAILROAD has begun its descent on the western slope of the Rocky Mountains. The event was celebrated on the 16th instant. The laborers now look down on the plain where the Mormons are congregated, and where they have for so many years in their seclusion followed their own way of life. The Pacific railway will soon bless them with prying guests, who will give them great trouble.
